

Announcement 2.5, April 29, 2011

Lattice 2011

The XXIX International Symposium on Lattice Field Theory

Village at Squaw Valley, Lake Tahoe, California, USA

July 11 to July 16, 2011

<https://latt11.llnl.gov/>

Dear Colleagues,

Registration for Lattice 2011 is now open. Please visit <https://latt11.llnl.gov/html/registration.php> to register. Early Registration deadline is May 31.

Important deadlines:

Accommodations Deadline is May 17, 2011

Early registration deadline is May 31, 2011

Abstract submission deadline is May 31, 2011

Financial Aid is first come first served starting April 20, 2011

Excursion preference deadline is May 31, 2011

Venue

The Lattice 2011 conference will be held at the Village at Squaw Valley, Lake Tahoe, California, USA, from July 11 to July 16, 2011.

Important dates:

Registration and welcome reception: evening July 10.

Start of program: morning July 11

Poster session: evening July 12

Excursion: afternoon July 13

Conference Banquette: evening July 14

Program ends: afternoon July 16

Registration

To register please visit

<https://latt11.llnl.gov/html/registration.php> to register.

Early registration deadline is May 31.

The registration fee includes participation to the conference, welcome reception light buffet, poster session light buffet, conference banquet dinner at High Camp & gondola ticket, as well as snack breaks between sessions. It does not include other meals or an excursion.

The standard Registration Fee is \$480 US Dollars.
The student Registration Fee is \$290 US Dollars.
Late Registration Fee is \$580 US Dollars for standard and student.
The accompanying person Fee is \$145 US Dollars and it includes welcome reception light buffet and conference banquet dinner at High Camp & gondola ticket.

The Registration Fee is payable by credit card or wire transfer.

If you are a student you will need a personal code to be able to register at the student price. To receive your personal code please send an email to Professor James Hetrick at jhetrick@pacific.edu with subject: Student Registrant
In the body of the email indicate:

- (1) that you are a student
 - (2) give the name and address of your institution
 - (3) give the name and email of your advisor
 - (4) your student year (for example 3d Ph.D. Year)
- Professor Hetrick will then email you your personal code.

Accommodations

If you plan to attend we urge you to reserve your room as soon as possible. Depending on demand our block may fill out quickly. To reserve please visit the web page

<https://latt11.llnl.gov/html/fees.php>

There you will find detailed descriptions and instructions as well as the reservation link. Notice that because all accommodations are in suites you have several choices with a range of prices.

Please note that the cutoff date for hotel accommodations at the low rates that we have negotiated is May 17.

Financial aid

Financial aid is available in a first-come-first served basis starting April 20, 2011. We have 40 spots for reduced registration fee and accommodations costs. Please visit <http://tsailab.chem.pacific.edu/lat11/finaid/> for details.

Abstract submission

Abstract submission is now open. Please submit your abstract at <http://tsailab.chem.pacific.edu/lat11/abstracts/> by May 31.

Conference excursion

There will be several choices for the conference excursion. Please visit <http://tsailab.chem.pacific.edu/lat11/excursion/> and indicate your preference by May 31. We will announce the

final options for excursions in our third bulletin.

Transportation

Transportation information and related links are now available at <https://latt11.llnl.gov/html/transportation.php> Note that Reno International is the closest major airport and is about a 45 minute drive from the conference location. Shuttle service from Reno International is available at conference negotiated prices and you can find the link in the above page. For example for a single person round-trip the price is \$75 US dollars while for a 2 person group the round trip group price is \$110 US dollars.

Program

The program will include plenary talks, parallel talks and a poster session on the following topics:

- Algorithms and machines
- Applications beyond QCD
- Chiral symmetry
- Hadron spectroscopy and interactions
- Hadron structure
- Nonzero temperature and density
- Standard model parameters and renormalization
- Theoretical developments
- Vacuum structure and confinement
- Weak decays and matrix elements

Contact information

More information can be found on the conference web site <https://latt11.llnl.gov/> The site will be updated regularly.

If you need to contact us please email our Conference Secretariat Catie Dibble at dibble8@llnl.gov

Important

This announcement is being sent to the LatticeNews mailing list and the Lattice 2010 mail list. Please pass it along to colleagues that may not be in these lists and might be interested in attending the conference. To register to the LatticeNews list, visit <http://denali.physics.indiana.edu/mailman/listinfo/latticenews> We are looking forward to seeing you in Lake Tahoe soon.

Best wishes,
the LOC
